AMERICAN ORGUINETTE,

IMPROVED PATTERN.

THE AMERICAN ORGUINETTE is a Reed Musical Instrument, constructed somewhat on the principle of the American Organ, and adapted to be automatically operated by simple sheets or strips of perforated paper, each sheet representing one or more tunes. There is no limit to either kind or quantity of music. It will play HYMN TUNE, POPULAR AIR, SET OF QUADRILLE, POLKAS, WALTZES, REELS, and HORNPIPES with a clearness, accuracy and degreed execution which but few performers can equal. A MERE CHILD CAN PLAY IT. The music-box and all kindred instruments are the only expensive luxuries enjoyed by a few, but they are limited to a few set tunes, and so soon become tiresome, and as means of enjoyment to their owners, entirely worthless. The AMERICAN ORGUINETTE, with its automatic music sheets, represents both organ and organist, music, musician, and music-teacher, and so is admirably adapted for singing-parties, dancing-parties, winter evening entertainments, and educational purposes, and is, therefore, not only the latest musical wonder, but the price considered.

The most Marvellous Mechanical Musical Instrument of the Age.

It is the most simple, perfect, instructive, enjoyable, and amusing automatic Musical Instrument in the World.

PERFORMING EVERY DESCRIPTION OF MUSIC.

COMMERCIAL INTELLIGENCE

TUESDAY EVENING, JAN. 24.

COTTON.—In this staple a very fair business has been got through during the day at about 1 rupee under yesterday's best prices. Oomras are now coming in very freely and the bulk of the business done is for Cotton on the spot. The current rates are as follows :—

Oomras, Good ...	Rs. 194 to 195
Do. Fully Good Fair ...	,, 182 to 183
Do. Fully Good ...	,, 198

Being ready Cotton, if a lot is found fully up to classification the higher rates are paid more willingly.

A fair amount of Broach has been also sold forward at the following rates for "Good" March delivery Rs. 225 ; April delivery Rs. 224. There has also been some demand for Dholleras on forward contract. Fair at Rs. 207, and Good at at Rs. 196.

Home advices give the market as quiet, prices are unaltered, and sales 10,000 bales.

Oomras are quoted to arrive Fully Good Fair, January and February shipment, 5 1-32d.

New York gives day's receipts 18,000 bales, and ready Cotton 1-16 cent. lower, but April delivery only one point less. Manchester is quoted quiet but steady, and here we remain much as before.

METALS.—Copper is a little higher, and is firm at the advance, and so is Yellow Metal. We now quote them Rs. 51-4 and Rs. 40-8, respectively. We believe, though quoted lower from home by Reuter's telegrams, makers there have not reduced their quotations, and that the rates given are for resale lots.

EXCHANGE closes very firm at an advance of about 1-32 with very few buyers for ready bills. Rates are as follows, but after 15th February 1-32 less :—

	Telegraph.	Demand.	3 months.	4 months.
Banks	..	Is. 8 2-32d.	Is. 8 5-32d.	Is. 8 11-32d.	Is. 8 13-32d.
	3 months.		6 months.	
Credits ..	Is. 8¼d.		Is. 8 22-32d.	
Documents ..	Is. 8 9-16d.		Is. 8¼d.	
France ..	2 15⅛		2 17¼	

GOVERNMENT PAPER is quoted from London 4 per cent. ¼ lower, *viz.*, 84¼. Consequently, we are very dull here to-day, and the rate for large lots is not above 100⅞. Small pieces, however, have been placed at ¼ or even a little more above these rates :

4 per cent. Government loan ...	103½ to 101¼
4½ ,, ,, ...	109 to 109¼

THE SHARE MARKET generally is steady. A few companies have been in favour and rates are up Rs. 5 to Rs. 15 for them, but the advance is not general. Of the most all that we can say of them is that they are firm at quotations. Coorla Mills have advanced from Rs. 900 to Rs. 910, Morarjee from Rs. 1,200 to Rs. 1,210, National from Rs. 900 to Rs. 915. Great Eastern from Rs. 1,035 to Rs. 1,050, Western India from Rs. 960 to Rs. 980. Colaba Land have been done at 750. Prince of Wales Press at Rs. 1,715, and Treacher and Co., at Rs. 950.

FREIGHTS remain firm at our old quotations of 37-6 for Liverpool. A steamer has been chartered for a full cargo at this rate February loading with concessions, and this is the only large transaction we have heard of during the day.

WEDNESDAY, JANUARY 25, 1882.

THE annual Degree Day of the University of Bombay was held yesterday with all the usual ceremonial. The Vice Chancellor's opening allusion to the melancholy reason for Sir James Fergusson's absence was listened to with respectful sympathy, while the rest of the important and interesting address which Mr. West proceeded to deliver commanded the earnest attention of the graduates round the speaker, the members of the Senate in front of him, and as many of the general audience as the wretched acoustic qualities of the University Hall permitted to hear anything. We have no doubt that the address, of which a full report will be found elsewhere, will be widely read ; and we shall take another opportunity of examining the facts and figures contained both in it and the report of the Syndicate on the operations of the past year. In the meantime we cannot refrain from indulging in a pleasant sense of the unpleasantness with which Mr. West's speech will be read by the educational reformers of the day. The speaker is the Vice-Chancellor of one of the Indian Universities. He has for a long period of years taken part in the government of the institution over whose fortunes he now presides. Throughout his Indian career he has given many proofs of a warm and continuous interest in the educational progress of the country, and he is intimately acquainted with the whole system, as it now works, from the village school to the Colleges of Poona and Bombay. And yet he has not a word to say about the "self-conce

An address of condolence to be presented to His Excellency the Governor on behalf of the inhabitants of Bombay has been prepared and signed by a large number of influential European and native gentlemen. It will be forwarded to His Excellency before the end of this week. It lies at present at the office of Byramjee Jeejeebhoy, Esq., C. S. I., No. 1, Church Gate Street, Fort, where those who are desirous of expressing their sympathy may attach their names to the address.

We regret to hear that Mr. Erskine, Commissioner in Sind, is confined to his bed by a severe attack of gout, in camp at Shadadpore.

We are sorry to see from last week's district reports that the outturn of the rabi crops is "mostly poor in Nasik" as well as unsatisfactory in the greater part of Ahmednagar. In other parts of the presidency, however, good crops have been gathered and prices are generally steady.

Sir Frederick Roberts, K.C.B., V.C., Lady Roberts and Staff, with Colonel Ewing, the officiating Military Secretary, are expected in Calcutta by the mail steamer from Rangoon, due on the 12th of February. After a brief stay in Calcutta, General Roberts will proceed to Kamptee *en route* to Madras.

Brigadier-General G. Leslie, Inspector-General of Artillery for India, left Calcutta on Friday last for Burmah, on his annual tour of inspection. He was accompanied by his Adjutant, Captain Anderson.

The Victoria Cross won by Lieut. St. Lucien Chase, 28th Regiment N. I., at Kandahar on the occasion of the Deh Khoja fight, was presented to him by H. E. the Commander-in-Chief in presence of the troops in garrison, at Poona, on Monday morning. Another officer who, Lieutenant Percy Ashford of the 7th Fusiliers (late), was presented with the Victoria Cross by Sir Fredk. Roberts at Madras), carried a wounded soldier of the Fusiliers out of action under a heavy fire.

Mr. Crawford, solicitor, applied to Sir Charles Sargent yesterday, in chambers, on behalf of Mrs. H. A. King, the petitioner in the Sawantwadi divorce case, for an order for a warrant of arrest to issue against the respondent, Captain J. S. King, for non-payment of alimony and maintenence of children and the taxed costs of the suit. Mr. Turner applied to the Judge to grant a Judge's summons instead of an ex-parte order on the ground that respondent had had no notice of the application, and that on the 7th September last it had been arranged between him and Mr. Crawford that the alimony and maintenence of the children should be reduced to Rs. 150 a month in consequence of the respondent having been removed from his political appointment by Government. He also stated that it had been agreed that the payment of the costs should stand over until after the final decision of H. E. the Governor in Capt. King's case should be made known. Mr. Crawford admitted the arrangement as to the Rs. 150 a month, but said that it was made without prejudice to the decree. He promised that the payment of the taxed costs should stand over until after Capt. King had had an opportunity of seeing the Governor, and not definitely until after the final decision of the Government should be made known. His lordship signed the order for a warrant of arrest to issue.

At the Fort Police Court yesterday afternoon before Mr. Webb, acting Chief Presidency Magistrate, Mr. Little, of Messrs. Hearn, Cleveland, and Little, on behalf of Rao Bahadoor Mahadew Wassoodew Barve, State Karbharee of Kolhapore, laid informations for defamation against the editor and publisher of the *Maharatta* newspaper, the editor and publisher of the *Kesari* newspaper, and against Sadashew Pandurang, *alias* Nana Bhide, Keshaw Narayen Bokhle, Gopal Ganesh Agarkhar and Bal Gangadhar Tilak.

Telephone exchanges in connection with the Oriental Telephone Company are to be opened in Calcutta, Madras and Bombay, simultaneously, on the 28th of January. The ceremony of declaring the Calcutta telephone exchange open to the public, the *Pioneer* states, will probably be performed by Mrs. Evelyn Baring, the wife of the Hon'ble Major Evelyn Baring. A telephone exchange is also contemplated for Rangoon.

Dr. Penny, Civil Surgeon, Jullunder, has been appointed medical officer in Kashmir for the coming season.

Major-General J. Crofton, Royal Engineers, Inspector-General of Irrigation, and Deputy-Secretary to the Government of India, P. W. D., has sent in his papers to retire from the service.

It is likely, an up-country contemporary understands, that in view of the numerous vacancies in the Indian Staff Corps, especially those of Madras and Bombay, the existing rules which restrict admission to officers serving with regiments in India will be again relaxed, and these corps thrown open for a time to officers not exceeding four or five years' service in any branch of the army. It is not improbable also that the period of service with a British regiment now required from candidates for the Staff Corps serving with regiments in this country will be reduced from two years to

[illegible]nual dinner of the Calcutta Trades' Asso[illegible]ake place on Friday next. It is expect[illegible]Lieutenant-Governor of Bengal (Sir Ashley Eden), the Commander-in-Chief in India (Sir Donald Stewart), and her distinguished to guests will be present.

The Theosophists are determined not to allow Mr. Cook to have the field all to himself. Colonel Olcott has followed Mr. Cook to Poona, and we read that he delivered a lecture on Theosophy at the Town Hall (Heera Bagh) on Monday evening. A Poona paper states that, "so far as could be judged, the Colonel has left a very favourable impression upon his native hearers, who are quite enthusiastic in their admiration of his style of oratory."

Peshin as a separate division of the Public Works Department in Beluchistan, was abolished from the 18th December, Lieut. Hickson, R. E., officiating Executive Engineer of the division, being transferred to the Sibi division.

We republish to-day from the *Gazette of India* the Resolution announcing that the contributions made to the Imperial by the Provincial Governments in the years 1879-81 will be restored to them before the 31st March next. The total amount of these contributions is 67 lakhs of rupees, of which 20 lakhs were contributed by Bengal, 15 lakhs by the North-West Provinces and Oudh, 8 lakhs by Bombay, 6 lakhs each by the Punjab and British Burmah, 5 lakhs by the Central Provinces, 4 lakhs by Madras, and 3 lakhs by Assam. The intention of the Government of India in restoring this money is that it should be "applied to productive public works in all cases where the whole, or a portion, may not be indispensible in order to raise the provincial working balance to a proper level."

The *Gazette of India* also contains resolutions on the subject of the Government's connection with salt manufacture and the price of salt in different provinces of India, and the prevention of frauds on Government district treasuries.

The chief object of the latest Bill to amend the Code of Civil Procedure is to alter section 266 of the Code, which now exempts from attachment a moiety of the salaries of Government servants and railway servants, so as to exempt entirely the salaries of such servants when below a certain small amount, say Rs. 12 per mensem. The proposed legislation is supported by the Local Governments of Bombay, Madras and North-Western Provinces. Mr. Whitley Stokes thinks by this means "to benefit the public by providing (as far as the law can do so) that its servants shall not be reduced to a state of inefficiency by the action of their creditors.

The reports of the Revenue and Agricultural Department on the state of the season and prospects of the crops throughout India, for the week ending the 17th January, 1882, are summed up in the following "General Remarks:"—There has been good rain throughout the Punjab, and prospects of the rabi crops have greatly improved. Slight showers have also fallen in the western half of the North-Western Provinces, but there has been no rain in the eastern districts, nor in Oudh. Throughout this tract rain is much wanted for the unirrigated crops. In Bengal also there has been no rain, except a slight shower in two districts; but the standing crops continue to do well. In the Bombay presidency prospects continue unsatisfactory in Ahmednagar, Nasik and Dharwar, but are good elsewhere. In the Madras Presidency there has been little rain during the week under report, but the crops on the whole are doing well, though in parts the water-supply is somewhat deficient. From the rest of the country no change is reported, and agricultural prospects continue satisfactory.

A despatch from the Secretary of State, dated Dec. 22nd 1881, dealing with the question of officers of the Indian Army taking half pay, is published in the *Gazette of India*. Combatant officers placed on half pay are to receive the same rates as officers of the same rank in the British service. Officers who have now been more than six years on the half pay list of the Staff Corps will, unless prior to the 1st July next they voluntarily appear before the Medical Board of the India Office, and are then reported fit for duty, and permitted by the Secretary of State to return to duty, be permanently placed on the retired list on half pay.

The following further appointments to native regiments have been made:—Major Graham, 5th Bengal Cavalry, who was recently appointed officiating second-in-command, 13th, succeeds Colonel Chapman as permanent second-in-command, 8th Bengal Cavalry, cancelling his appointment to the 13th. Majors McNeale and Macnab receive steps in the eighth, *vice* Lindsay deceased. Colonel Gordon, 20th Native Infantry, gets the *permanent* command of the 25th, *vice* Hoggan, and Major Steel, second-in-command, *vice* Barton, Major Ellis being promoted wing commander. The step in the 20th, *vice* Gordon, goes to Lieutenant-Colonel Bartleman and Major Meiklejohn. The step in 1st Goorkhas, *vice* Hill, goes through the regiment, promoting Lieutenant-Colonel Story, and Majors Young and Barnett. Captain Egan has been transferred from the 16th to the 4th N. I. as officiating wing commander.

The *Civil and Military Gazette* is informed, on reliable authority, that the Warrant for the granting to major-generals, who have not yet come in for their colonel's allowances, £1 a day in England, until they shall have completed 38 years' service, has been strongly protested against by the Indian Government, and will almost certainly be rescinded.

Information furnished to the Allahabad paper by the railway authorities about the accident at Shekoabad adds little or nothing to the bare statement of the occurrence which has already been published. It appears that the morning was unusually foggy, and the driver of the mail train did not see the goods train in front of him till too late to avoid the collision, which took place about a mile and a half on the east side of Shekoabad station. The engine of the mail crashed right through the break-van of the goods train and buried itself in the next goods waggon. The guard of the goods train jumped out just in time to save himself, and escape with severe bruises. The driver and fireman of the mail train remained on their engine and were unhurt. The lamentable loss of life ensued from the collapse of one of the carriages of the mail filled with native passengers, but beyond the 15 persons who were killed on the spot, no further loss of life is anticipated among the wounded. Assistance from Toondla and Agra was obtained as speedily as possible, and a diversion of the line was made to carry on the traffic. In the opinion of the railway authorities, the cause of the accident was the fog; but, the *Pioneer* remarks, most people will probably think that a very bad system, coupled with great carelessness on the part of the driver of the mail, can alone have given the fog an opportunity of doing all this mischief.

The fact that the goods train against which the mail collided near Toondla on the 17th instant, was in the charge of a native driver, should the Lahore paper suggests, be borne in mind by those who recommend the substitution of native for European labour on the railways. The driver in this case neither knew his proper siding, nor took any notice of the signal of warning.

PRESENTATION OF THE VICTORIA CROSS TO LIEUT. WILLIAM CHASE.

There was a parade of the troops in Garrison at Poona and Kirkee, in drill order, on Monday morning, for the purpose of witnessing the presentation, by His Excellency the Commander-in-Chief, of the Victoria Cross to Lieutenant Lucien Chase, of H. M.'s 28th Regiment N. I. The troops formed up in two lines on the general parade ground, facing the Grand Stand, in the following order:—

First Line.—Infantry under command of Col. Sibthorpe.—43rd Company R. E. Regt.; 2nd Bn. East Yorkshire Regt.; Sappers and Miners; 9th Regiment N. I.; 14th Regiment N. I.; 16th Regiment N. I.; and Detachment Rifle Brigade—formed in line of quarter column at double column deploying interval.

Second Line.—Artillery and Cavalry under command of Colonel Govan, R. A., in the following order:—2nd Light Cavalry in quarter column; A-2 Royal Artillery; No. 2 Mountain Battery; D-2 Royal Artillery; Poona Horse in quarter column.

The distance between the lines was a hundred yards, and the bands were massed in rear of centre of the first line.

On the arrival of His Excellency the Commander-in-Chief, who was accompanied by Captain Colley and Lieut. Shepherd, A.D.C., the D-2 R. A. fired the usual salute. There was a brilliant assemblage of ladies and officers, and a large number of other spectators. Lieut. General Hardinge rode up and down the line, after which His Excellency ordered the second line to move up to the front by the right flank, and take a position facing the first line. Lieutenant Chase was then called to the front and His Excellency the Commander-in-Chief addressed him as follows:—It is with feelings of the greatest pleasure that, in accordance with orders, I have assembled this parade, to witness the bestowal upon you of the Victoria Cross, which has been graciously awarded to you by Her Majesty for conspicuous gallantry in the field. On the occasion of the sortie from Kandahar, on August 16, 1880, against the village of Deh Khoja, you, under a heavy fire, and with the assistance of Pte. Ashford of H. M.'s 7th Fusiliers, conveyed Private Massey of the same Regiment, who was severely wounded, from a block-house in which he had taken refuge, to a place of safety with the main body; and although frequently forced to lie down, you succeeded in bringing him in safely. It gives me greater satisfaction that I am presenting this reward to you as an officer of the Bombay Army, with which I am so closely and cordially associated. It is a further source of satisfaction to me that I present this medal to you in the presence of your original Corps—the East Yorkshire Regiment. May you wear this decoration long with honour to yourself and the Bombay Army.

His Excellency then pinned the medal on Lieutenant Chase's breast, and warmly shook hands with him. After this the troops were ordered to march to their quarters by the shortest way.—*Deccan Herald.*

ALLEGED LIBEL ON THE STATE KARBHAREE OF KOLHAPORE.

At the Fort Police Court, yesterday Mr. Little of Messrs. Hearn, Cleveland and Little, appeared before Mr. Webb, Acting Chief Magistrate and laid three different informations on behalf of Rao Bahadoor Mahadew Wassoodew Barve, the state Karbharee of Kolhapore, against Sadashew Pandurang Bhide *alias* Nana Bhide, Keshaw Narayan Bakhle, Bal Gangadhar Tilak and Gopal Gunesh Agarkhar.

Mr. Little addressing the Court said:—I beg to lay three informations on behalf of Mr. Rao Bahadoor Mahadew Wassoodew Barve, one of them being against the editor and publisher of the *Maharatta* newspaper, the second against the editor and publisher of the *Kesari* newspaper, and the third against Sadashew Pandoorung *alias* Nana Bhide. My client is the state Kharbaree at Kolhapore, and has been defamed considerably by several of the newspapers, amongst them being the two I have just mentioned.

The Magistrate.—Are they published in Bombay?

Mr. Little.—They are published in Poona, but are largely circulated in Bombay. My client has been libelled very seriously. The persons defaming my client sent telegrams to Bombay and also a petition addressed to H. E. the Governor. I read the informations to the court; they all relate to the same cause of complaint.

The Magistrate.—Why not proceed against them at Poona?

Mr. Little.—Because the offence is committed here. The accused Sadasehew seems to have sent a telegram to Bombay, and hence the publication of the libel in Bombay.

The Magistrate.—It seems to me that Poona is the proper place where the case should be investigated.

Mr. Little.—But you see, Sir, there are hundreds of these papers which have been published and sent to Bombay by post.

The Magistrate.—Are they printed and published in Bombay?

Mr. Little.—Yes, they are circulated in Bombay, and are, therefore, just as good as published in Bombay. There are a number of decisions in point. I think the most recent decision was given last year at the Allahabad Court, by Sir Robert Stuart, Chief Justice, who decided that the sending of a newspaper containing defamatory matter, published by a person at Calcutta, and which was subscribed by a person at Allahabad, is the same as its publication at Allahabad. There are a series of similar decisions given in England. Suppose your Worship is libelled at Poona, would you, Sir, if the publication were circulated in Bombay, go all the way to Poona to prosecute the man? I say that many papers published upcountry are circulated in Bombay, just as any newspaper in Bombay is sent from here to Poona.

The Magistrate.—Whereabout in Bombay was the telegram sent?

Mr. Little.—Well, the telegram was not sent by these editors, but it was sent by Nana Bhide. Now, as to that; if I go to Poona, they will say the publication was not made in that city, the telegram having been sent to H. E. the Governor at Bombay.

The Magistrate.—I suppose at Parell?

Mr. Little.—No, at the Secretariat.

The Magistrate.—Well, let the informations be sworn to.

Mr. Barve was then asked to go into the witness-box to swear to the informations.

The Magistrate.—Have you read the informations? Do you swear that their contents are true?

Mr. Barve.—I do.

Rao Bahadoor Mahadew Wassoodew Barve deposed.—I was in the year 1870 sent by the Government of Bombay from my post of Deputy Collector and Magistrate at Dharwar to Kolhapore to be the State Karbharee or minister there, and I still hold that appointment. In 1871, the present Maharaja of Kolhapore was adopted by the widow of H. H. the late Rajaram Maharaj. In October 1879 the late Maharaja came to Bombay from Rajkot, and I was deputed to receive him in Bombay. While he was in Bombay his natural mother, Radhabai, without the permission of the Political Agent, came to Bombay, and interfered with the affairs of this state and having charge of the Maharaja. As I had not the sanction of the Political Agent for doing so, I was obliged to deny her request. Ever since that time Radhabai has a bitter feeling for me. Sadashew Pandurang Bhide, *alias* Nana Bhide, hereinafter referred to, has for the last three years been the agent of the said Radhabai's brother, and as such he represented him in a dispute regarding the succession to certain inscribed stock. As minister, it was my duty to advise the Political Agent as to the disposal of the matter, which was eventually decided against the interest Nana Bhide represented. Ever since that time, Nana Bhide has borne malice towards me. The said Nana Bhide also bears malice towards me, because he was unsuccessful in his application, made about August 1881, to be appointed a pleader at Kolhapore. He is the agent of the said Radhabai. Keshaw Narayan Bakhle, hereinafter referred to, is the son of a mamlatdar under me, and imagines that he has a grievance against me in consequence of his father having been often found at fault in discharging some of his duties. He is a friend of the said Nana Bhide. The Maharaja has since about September 1879 been suffering from mental derangement, and the said Nana Bhide and Keshaw Narayan Bakhle have for some time past been seeking for a cause of complaint against me. On or about the 4th January instant I received from Major Reeves, Political Agent at Kolhapore a telegram which was received in Bombay on or about 10th December 1881 and addressed to his Excellency the Governor of Bombay by the said Nana Bhide, who is now residing at Poona. On or about the 4th of January instant, I also received from the said Major Reeves the memorial dated the 27th December, 1881. The memorial was posted to Bombay to H.E. Sir James Fergusson, Governor and President in Council, and is signed by the said Keshaw Narayan Bakhle and by the said Nana Bhide. On or about the 18th instant I received another memorial dated 4th January instant addressed to H. E. the Governor and President in Council which is signed by the said Keshaw Narayan Bakhle and Nana Bhide. The letters referred to in the said telegram and memorials, and alleged to have been written by me or by my order to Shinbhat Ainapure are annexed to the said memorial of the 27th December last. I have not had the alleged original letter shown to me, but say as to the letter dated 14th October 1880, that I have never written, nor caused to be written, any letter containing the passage "Meherban Nana Saheb Kajaiker must pay Shintras rupees. If he objects let him be informed that ruin will follow. The conduct of Shrimant Maharaja is not proper. It is possible that within a few days matters will be disposed of as at Baroda. Let these be made known to the younger Rani Saheb." As to the letter dated 28th Oct. 1881, I have never written, nor caused to be written, any letter containing the passages "Let good watch be kept on Sadashew Pandoorung *alias* Nana Bhide. If success be obtained in the case of the Maharaja, then surely a difficulty will arise afterwards. Therefore let the younger queen dowager adopt speedy measures; then arrangements can be made for another adoption." As to the letter dated 17th November 1881, I have never written, nor caused to be written, any letter containing the passage "Let the younger Rani Saheb be informed that full instructions have been given to Green and Cox about the Maharaja and that a speedy end will follow." I say that the charges and imputations that I am, or have been, concerned in any conspiracy under-hand measures, or plot against the Maharaja, are totally false and unfounded. I say that the said Sadashew Pandoorung Bhide *alias* Nana Bhide has written and sent the said telegrams above referred to, and that the said Kesshow Narayan Bakhle and Sadashew Pandoorung Bhide have written, sent, and publish-ed the said memorials unlawfully, wickedly and maliciously, with the object of doing me harm and injuring me and of depriving me of my office, good name and reputation, and of bringing me into public contempt, infamy and disgrace. I charge the said Bal Gangadhur Tilak with defamation, and pray that he may be dealt with according to law.

In the second information Mr. Barve deposed as follows:—

One of the exhibits marked A is copy of a paragraph which appeared under the heading of "What have the Bombay dailies to say to this?" in the issue of the *Maharatta* newspaper of the 8th January 1882. Another exhibit marked B is copy of a paragraph which appeared under the heading of "Who is perverse—the *Times of India* or somebody else?" in the issue of the *Maharatta* newspaper of the 15th January 1882. The *Maharatta* newspaper has a large circulation in the island of Bombay, and Bal Gangadhar Tilak is the publisher and one of the editors thereof. I am the Mr. Barve referred to in the said paragraphs. I have had an opportunity of inspecting the originals of the letters set out in the issue of the *Maharatta* of the 8th January 1882, but say, as to the letter of the 19th October 1880, that I have never written, or caused to be written, any letter containing the passage "Meherban Nana Saheb Kajaikar must pay the rupees to Shintre. If he objects let him be informed that he will have to suffer afterwards. The conduct of Shrimant Maharaj is not proper. Probably within a few days matters will be as at Baroda. Let this be told to the younger Ranee Saheb." As to the letter dated 28th October 1881 I have never written or caused to be written, any letter containing the passage "Let good watch be kept of Sadashew Pandoorung *alias* Nana Bhide." "If success be attained in the case of the Maharaja a difficulty will arise afterwards; therefore let the younger Queen dowager look to it soon." Another exhibit may be thought of afterwards. And as to the letter dated 17th November 1881, I have never written, nor caused to be written, any letter containing the passage "Let the younger Rani Saheb be informed that everything regarding the Maharaja has been told to Green and Cox, and that a speedy end will follow." I say that the charge brought against me of conspiring against the Maharaja is false, and such paragraphs have been unlawfully, wickedly and maliciously written and published with the object and intent of defaming and injuring me and of depriving me of my office, good name and reputation, and of bringing me into public contempt, infamy and disgrace. I charge the said Bal Gangadhur Tilak with defamation, and pray that he may be dealt with according to law.

In the third information Mr. Barve deposed.—The exhibit marked A is copy of a translation of a paragraph which appeared under the heading "Chatrapati of Karvir" in the issue of the *Kesari* newspaper of the 13th December, 1881. The exhibit marked B is copy of a translation of a paragraph which appeared under the heading of "Shrimant Maharaja and Rao Bahadoor Barve," in the issue of the *Kesari* on the 17th January, 1882. The *Kesari* newspaper has a large circulation in the island of Bombay, and Gopal Ganesh Agharkar is the publisher and one of the editors thereof. I am the person referred to as Madhawrao Barve in the said paragraph of the *Kesari* on the 13th December, 1881. I am the person referred to as Barve in the said paragraphs of the *Kesari* of the 17th January 1882. With regard to the paragraph in the *Kesari* of the 17th January 1882, I say that the charges made against me therein, of having committed any illegal acts, are false, and that I have not had an opportunity of inspecting the originals of the letters set out in the issue of the *Kesari* of the 17th January, but say as to the letter of the 14th October 1880 that I have never written, or caused to be written, any letter containing the passage "Meherban Nana Saheb Kagalkar must pay the rupees (money) to Shintre. If he objects let him be informed that he will have to suffer afterwards. The conduct of the Shrimant Maharaja is not proper. Probably within a few days matters will be as at Baroda. Let this be informed to the younger Rani Saheb." Denying the authorship of the above letter as in the foregoing information, the complainant went on to say:—The charge brought against me of conspiracy against the Maharaja is false, and is made with a view to defame my character. I charge the said Gopal Ganesh Agharkar with defamation and pray that he may be dealt with according to law.

THE INSANITARY CONDITION OF THE FORT.

No one who has walked about the Fort, particularly if the time chosen for his perambulations has been at night, and the locality, Medows Street, and its branches, Apollo Street, Marine Street, Forbes Street, &c., will be at a loss to understand the *raison d'être* of a memorial, which has been drawn up and is being signed by the residents and occupiers of offices in the European quarter of the Fort, complaining of the unpleasant smells they experience. The memorial is addressed to the Municipal Commissioner, and begs to draw his "serious attention to the unsatisfactory condition, most dangerous to health, of the Municipal drains in Forbes Street, Apollo Street, English Hotel Lane, Nesbit Lane, Nesbit Row, Hummum Street, Dean Lane, Church Lane, and Bruce Lane." These drains, it is averred, are "neither more nor less than elongated cesspools, inasmuch as the water does not flow, but stagnates and solidifies into soft black sticky mud, having a most offensive smell, which must be productive of typhoid and other deadly fevers." The memorial expresses the opinion that "the drainage of the Fort generally, both in the European and native quarters, is worse than in any part of the town outside the Fort," by reason of the fact that "the Fort drains throughout were originally constructed of an unsuitable shape, and being very old are utterly worn out and useless." The Commissioner is asked to lay the memorial before the Town Council on the first convenient opportunity. We have been asked to keep a copy of the memorial in our office for signature.

CONVOCATION OF THE UNIVERSITY OF BOMBAY.

A convocation of the University of Bombay for conferring degrees was held yesterday afternoon in the Cowasjee Jehanghier Hall, which was crowded with visitors, graduates and others. At a quarter-past five (Bombay time) the procession of the Vice-Chancellor and Fellows entered the hall. The procession advanced, headed by the Assistant Registrar, Rao Saheb Ganpatrao Moroba Pitale, and when it reached the step of the Dais, it halted and formed a double line (each pair of Fellows separating to the right and left), through which the Vice-Chancellor advanced to his seat, followed by the University Officers and the other Fellows in the Order of Precedence. The Fellows saluted the Vice-Chancellor as he passed. After saluting the Vice-Chancellor the four Deans took the places provided on the right and left in front of the Vice-Chancellor's seat. Previous Examination.—At this Examination the next 279 Candidates, [illegible] The following is a statement showing the number [illegible] noticed are most conspicuous in the case of the private schools. The number of candidates from these schools steadily increases, which is in itself a very gratifying fact, but the proportion of passes is miserably low, showing how great room there is for improvement in the matter and the method of their teaching. It is perhaps due in no small measure to the system to which I have adverted that so many students fail in the further examinations requisite for obtaining their degrees. In the Previous Examination this year only about one-fourth of the candidates passed, and even from an institution like the Deccan College, only fourteen candidates out of seventy were successful. In the First Examination for the B.A. Degree the results were more satisfactory, but still less than half the candidates passed. In the Second Examination for this degree the successful candidates were about two-sevenths of the whole,—a small proportion I cannot but think, considering the known ability and zeal of the Professors in the several colleges. ZOEDONE! ZOEDONE!

A COOL SPARKLING DELICIOUS BEVERAGE FOR DAILY USE.

ZOEDONE Is Exhilarating, yet Non-alcoholic.

ZOEDONE May be taken continuously as a Substitute for Alcoholic Liquors with the most beneficial results.

ZOEDONE Will keep good after being opened, and retains its Sparkling Qualities to the last.

ZOEDONE May be drunk by persons of every age, and at all times.

ZOEDONE My good opinion of ZOEDONE as a social drink has been amply confirmed by further observation."—
NORMAN KERR, M.D., F.L.S.
August 8th, 1881.

Dr. G. S. Ranking, Surgeon, Indian Medical Department, writes of it thus:—"I am of opinion that in 'Zoedone' is to be found a complete solution of the problem which has long exercised the minds of the medical profession in India, viz., the discovery of a beverage which shall assuage thirst, restore nervous waste, and, while being palatable, be also non-alcoholic. It is my firm conviction that if 'Zoedone' be introduced into India it will meet all the requirements of those who wish to restore their nervous systems without impairing their livers."
